- All assignments are posted on your Canvas account under (assignments). You will be responsible for uploading each assignment as an attached Word file and then you will be responsible to submit your own work. Make sure you follow the instructions.
- Students must do their own work! “Cheating” (submitting someone else’s work or giving your work to another student) will result in **failing** the course.
- Late assignments will be penalized 5% for each day they are late. If you do not upload your assignment, you will receive 0 points which effectively lowers your course grade by 20 points (or 2 full letter grades)

Grading

Every student starts with 100 points.

90-100 points = A;
80-89 points = B;
70-79 = C;
60-69 = D;
Below 60 = F (failing)

Penalties for a missed class in NJ: 10 points
 Penalties for a late assignment: 5 points per day
 Penalties for a missed assignment: 20 points
